

## Web Camera

Would you like to be able to easily identify your patients? Quick-MD can make this possible by allowing you to take and attach photos of your patients right from the demographics screen. These web cameras are readily available at any Wal-mart or Office Depot and are reasonably priced for around \$20.

## Document Scanner

Using a flat bed scanner with Quick-MD you can attach to each patient's file the scanned documents such as soap/interim notes, lab/test results, referrals, etc. utilizing the new "Add scanned documents" feature of the EMR menu. Quick-MD will allow you to add, view, and print these documents from the patients account.

So, don't let your office fall behind! Quick-MD has made it so simple and so easy to save time and money and to reduce your work load without stress and confusion!

Efficiency is priceless! So, are you ready to save time and money? Quick-MD knows what you need to get the job done right:

1. Your CARD SCANNER to store your patients driver's license and insurance cards!
2. Your FLATBED SCANNER for your patients test/lab results, soap notes, or any hard copy documents you may need to store for your patients records!
3. Your WEB CAMERA to easily identify your patients!
